

Camberwell Green, Camberwell

£339,950

Recently-refurbished one double bedroom flat of 480 square feet, on the third floor of a Peabody Estate building, moments from Camberwell Green. Chain free.

It is a surprisingly quiet spot, yet you are a couple of minutes from the hustle and bustle of central Camberwell. Bus travel is seriously easy (and you can hop on a bus up to Oval for the tube) and Denmark Hill Station is just a 14 minute walk (up pretty Grove Lane).

You can feel the history here and we love the old-fashioned street lamps and traditional ceramic tiling in the stairwells, which hark back to the olden days! Fascinatingly, the original nine-block estate cost £30,000 to build and was opened in 1911, boasting “a warm red-brick exterior”. This was Peabody's first set of homes to have entirely self-contained plumbing (meaning no shared sinks and toilets).
