

MUNDAY'S

Noel Terrace, Forest Hill

£650,000

Supersized and sensitively-renovated pad of 1340 square feet, on the third (top) floor of a very-Victorian purpose-built apartment block.

In current set-up, you have three double bedrooms and three reception spaces, but it is all very flexible: one could easily divide off the current double-reception room, and in doing so create a four bedroom flat.

The location is a tucked-away spot, just a four minute walk from Forest Hill Station (Fare Zone 3) and delightful town centre, close to really good schools.
