

Templar Street, Camberwell

£835,000

The Minet Conservation Area is home to high quality Victorian and Edwardian housing. The central focus of the leafy residential area is Myatt's Fields Park: a delightful 14 acre Victorian-era park (1889).

This bright conversion flat within the CA, with the park at the end of the street, is a large (some 893 square feet, excluding the plumbed cellar), architect-enhanced and extended two double bedroom flat, with its own front door and a big private south-facing walled garden. And there is more good news: the flat is being sold without a chain.
